Ideas

Ideas

Help shape the future direction of FME

How Do Ideas Work?

1

Discover

Browse ideas or submit your own ideas after reading our [Forum Etiquette Guide](#).

2

Vote

Vote and comment on ideas that you like, points are based on comments and votes.

3

Review

As an idea gets more popular, it may pass different statuses and be reviewed by Safers.

4

Develop

Accepted ideas are moved into our roadmap, released ideas can be filtered below

POLL

FME Training & Webinars by Sweco
